

## Second Snowmobiler Killed In Eight Days

Crawford County recorded its second fatal snowmobile accident in eight days when a Romeo man was killed Saturday night while riding in Beaver Creek Township.

According to sheriff's deputies, Mark Douglas Heidebrecht, 25, was fatally injured when the machine he was piloting passed under a cable across a private driveway. Deputies said the cable struck Heidebrecht in the neck, and death was believed to have been instant. Deputies were awaiting a medical report before pinpointing the exact cause of death.

The accident occurred about 10:45 p.m. on Beaver Road, two miles southwest of Military Road. Heidebrecht was riding with three other snowmobilers when the accident occurred.

It was the second fatal accident involving snowmobiles in the county in eight days. Carroll Lee Fine, 44, of Kalamazoo was killed January 23 when the machine he was driving struck a car near Lovells.

Deputies say the last fatal snowmobile accident in Crawford County before this year occurred in 1978.

In other police activity, deputies responded to 42 complaints last week, including three breaking and entering reports and four incidents of malicious destruction of property.

Traffic citations included speeding violations, open intoxicants, hazardous driving, radar detectors and improper plates. Four drivers were arrested for drunk driving.

Two larcenies are being investigated, an abandoned vehicle was located and deputies responded to a public disturbance and family dispute where an assault was involved.

A second snowmobile accident also resulted in a personal injury, deputies were involved in a search for a runaway and one car fire was reported.

Police were involved in four attempts to locate, a suspicious behavior complaint was logged and a violation of the controlled substance act was investigated.

## Winter Sports Kick Off Party

The first public appearance of Miss Grayling 1981 and her court will take place at the gala kick off party on Thursday, February 12th. The party will be held at Auman's House of Catering from 8:00 p.m. to 12:00 midnight and will include hors d'oeuvres, open bar and a band for your dancing pleasure. There will be a short program to introduce Miss Grayling to the community.

Tickets for this fun filled evening will cost \$20.00 per couple or \$10.00 per person, they are available from the following people: Jack Hull, Randy Thompson, Jim & Joan Shively, June Perna, John Naour and Merry Meredith or by calling the Chamber of Commerce at 348-2921 or 348-7315.

## Dial-A-Ride Adds New Service

To alleviate the congestion of the telephone lines during our Peak Hours and also give Crawford County Residents 24 hr. Reservation Service, we have installed an Answering Service to our telephone during the hours we are closed.

Residents can call anytime, Night or Day, Leave your Name, Phone Number, Address of Pickup and Destination and Time needed.

We would like to stress to the Residents the Importance of Proper Information. We cannot meet your needs without Name, Phone Number, Address of Pickup and Destination and Time needed.

## March of Dimes-Mothers March

You can help! Because of our inclement weather in this area, we will be having the Annual Mothers March during the month of April instead of March this year.

If you would like to volunteer in helping to prevent birth defects or helping children born with them, please contact me. Your support is needed. Please call Joyce Pickell, 348-8004 after 4:30 p.m. anytime before March 15th.

Joyce Pickell-Vice Chairperson NEC-MOD  
Mothers March Chairperson

## Citizens' Group Report To Bd. of Education

Note: This is the first of a series of releases dealing with the issues charged to the Citizens Building Committee. These recommendations in entirety were presented to a special meeting of the Crawford AuSable Board of Education, Monday evening at 7:30, January 26, 1981.

The Citizens Building Committee has spent the last month investigating issues and questions in order to make specific recommendations to the Crawford AuSable Board of Education. One of the Subcommittees of the group focused on three questions. First what was to happen to the existing middle school facilities when a new middle school is built? Second, what would be the status of the current bus garage located at the Grayling Middle School? Third, what if anything needs to be done with the current Crawford AuSable Administration Offices on Michigan Avenue?

The Citizens Committee in evaluating the current middle school facilities needed specific answers to a number of questions. Those questions and their answers are listed below:

1. What is the cost of a new heating plant for the middle school gymnasium? The cost of a new heating plant would be \$50,000-\$60,000. However, the current boiler of the middle school with repiping could continue to heat the gymnasium, presuming the existing plant is not demolished.

2. What are the estimated heating and lighting costs of the separate gymnasium? Estimated cost at this date is \$1 per square foot, and the facility is 28,000 sq. ft.

3. What would costs be for

meeting fire code requirements to achieve maximum seating capacity? Architects indicated that the gym was built to seat 1250 people. To handle this amount would require four means of exit. At this time there are 3 means of exit. There would be no way for achieving state approval to achieve a seating capacity of 2,300 people.

The Committee also was informed that the gymnasium of the middle school would most likely need a new roof within the next five years.

Because of this information the Committee felt that there would be no group that could adequately handle the expense of the middle school gymnasium year after year. In further discussion, the Committee believed that there are not enough facilities available in the community for anticipated demands.

The Committee thus recommended that the current middle school gymnasium not be torn down. That it continue to be used for varsity sports and in addition that the school board actively seek to involve as many segments of the community in using the gym and have it become a community center for groups to use.

Concerning the bus garage currently attached to the middle school. The Committee asked these questions:

1. What would be costs to build a new bus garage? It is estimated that the cost to build a 3 stall garage would be approximately \$100-\$125,000.

2. What tooling costs would occur? None are anticipated.

3. Is the current bus garage too large or small. Current facilities are too small.

See Education on page 10

**FOR NURSE'S TRAINING**—John Keir (right), Chef de Gare of Voiture 1495 (40 et 8), presents a \$1,000 check to Dolores Schilbe of Grayling for continuation of her Registered Nurse training at Ferris State College.

## But Current Unemployment Rises to 19 %

## MSU Economist Predicts 4.5 % Job Gain for County

By Joe Schrader

Grayling and Crawford County were among five state geographic areas expected to enjoy the most significant employment growth in 1981.

The projection was reported in last month's edition of "The Michigan Economic Record", a monthly report of business conditions in Michigan, published by the Michigan State University Graduate School of Business. The December report was written by David I. Verway, Research Professor at the

## Cong. Davis' Aide Here Feb. 9th

MARQUETTE: Congressman Bob Davis' District Representative, Mr. Charles Goddoyne, will be in Crawford County on Monday, February 9th.

Mr. Goddoyne will hold office hours in Grayling from 10:00 to 11:30 at the Crawford County Court House.

From 2:00 to 3:00, he will be in Lovells at the Township Hall; and from 3:30 to 4:30, at the Frederic Township Hall for office hours.

Any constituent wishing to discuss a matter pertaining to federal, state, or local government or their agencies can visit with Mr. Goddoyne at these times. No appointment is necessary.

## Kirtland Offers Aviation Maintenance Tech. Course

With today's critical shortage of aviation mechanics, programs such as Kirtland Community College's two year Aviation Maintenance Technology program have become more and more important. These programs train men and women to perform mechanical operations and repair on some of the world's largest and most well known airlines, as well as small, privately owned aircraft.

Kirtland's specialized program is FAA (Federal Aviation Agency) approved, and is designed to prepare students

## Open House

The children of Domenico and Eunice Galvani will be holding an Open House on Saturday, February 14th, from one to six o'clock at 101 Woodleaf Drive, in honor of their parents 25th Wedding Anniversary.

school's Division of Research.

Verway forecasts that Grayling will experience job growth of 4.5 percent or more, ranking the area in the top 10 percent of all the labor markets studied in Michigan. Other areas Verway ranks in the same high-growth category are Escanaba, Ontonagon, St. Ignace and Three Rivers. All but Three Rivers are northern Michigan locations.

The economic analysis was based on information provided by chambers of commerce and other local experts along with conversations with economists and planners in the various areas.

On the other hand, Crawford County reported one of the highest percentage drops in employment from October of 1979 to October of 1980, according to the report, losing 11 percent in the job market with only four other counties experiencing more serious employment losses.

Therefore if Verway's projections for 1981 hold true, Crawford County will experience one of the most dramatic employment turnarounds in the state.

Charlevoix topped the job loss chart, losing 15.4 percent in the same period. Others impacted the most seriously included Montmorency, Lake, and Missaukee/Wexford Counties.

Among Michigan's labor markets, only Ontonagon experienced no employment decline in any of its broad economic sectors during the period.

Crawford and other areas ranked in the upper growth echelon are placed there because of developments already underway, Verway says. The economist points to construction of the Weyerhaeuser Structurwood Facility and resin plants as growth indicators for Grayling, although the latter was recently nixed by the company for economic reasons.

Weyerhaeuser is expected to employ 150, plus an additional 100 in related wood production. See Job Gain on Page 2

## To Hold Course In CPR Feb. 11-12

The Crawford County Ambulance Corp will be holding a course in Cardio-Pulmonary Resuscitation (CPR), Wed. and Thurs. night at 7 p.m. February 11th and 12th at the Grayling High School.

The course is open to anyone over 16 and will include the basic course and refresher course for persons who already hold cards.

For more information-Contact any Ambulance Corp member or call WGRY at 348-6181.

lar with women and women mechanics. Although only two women have been in Kirtland's program in recent months, counselors and faculty members at the college are not hesitant to suggest the program to female applicants. Often, there are special grants available to help these women through their "non-traditional" college programs. In addition, one outstanding male student in the program has carried straight A's for the last three semesters and, despite the fact that he is physically handicapped and must remain in a wheelchair, has performed as well or better than the other students in actual maintenance exercises.

## Warning

"Weapons firing will be conducted at Camp Grayling during the period 10-14 Feb 1981. Firing will be going on in the following range area:

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97.

The area will be closed to the public during the period 10-14 Feb 1981 and all persons are warned to stay out of the area identified."

## First Of Its Kind in Michigan

## HUD OK's \$304,000 'Single Purpose Grant'

by Joe Schrader

The Housing and Urban Development Commission has approved Crawford County's pre-application request for a \$304,000 Community Development Block Grant, a move expected to have a dramatic, positive impact on future economic development in the county.

The announcement was made last Friday afternoon by Senator Donald Riegle, U.S. Senator from Michigan and member of the Senate Banking and Housing Committee.

According to Crawford County Housing Commission Director Jan Cornell, the grant is earmarked for construction of a power sub-station at the Weyerhaeuser Company's \$60 million plant site on Four Mile Road.

Ms. Cornell termed the pre-application approval "a precedent-setting move" and tantamount to final approval which is expected sometime in May or June.

In making the announcement, Riegle said, "I am extremely delighted by this good news for Crawford County, particularly since it will mean aiding in the development of a project which will bring jobs to my constituents."

What makes receipt of the grant unique, said Ms. Cornell, is that Consumer's Power Company will return the full amount (\$304,000) to Crawford County for use in future economic development endeavors. The Power Company will use the grant as a deposit for construction of the sub-station for Weyerhaeuser and will return the money to the county, probably in installments over the next couple of years, although exact details concerning

repayment must still be worked out.

Ms. Cornell said the Board of Commissioners would have to develop a framework to determine how the grant will be utilized in the county once it is repaid, probably in cooperation with the newly-formed Economic Adjustment Strategy Committee.

Use of the grant must comply with HUD economic development guidelines, which Ms. Cornell called "flexible." She anticipates the county will pursue recommendations for future economic growth contained in the detailed report recently prepared by the Michigan Dept. of Labor.

Approval of the grant, called a 'one-year single purpose grant', is the first of its kind ever OK'd in Michigan where the money will be returned to the county for future use. It was one of 45 applications receiving favorable attention out of 208 submitted from small cities throughout the state, and one of three approved in northern Michigan.

The other two were three year comprehensive grants, one for Clare County and the other for Yates Township in Lake County.

The \$304,000 grant brings to over \$2 million HUD has approved for use in Crawford County since 1976. The county is currently working with a \$1.2 million, three year comprehensive grant for housing rehabilitation and street improvement which was approved just a year ago.

Senator Riegle indicated that final approval of the \$304,000 grant was only "a mere formality now."

## Miss Grayling Gala This Saturday Night

By Joe Schrader

The entertainment spotlight Saturday night will focus center-stage at Grayling High's Joseph Stripe Auditorium where ten contestants will vie for the title of Miss Grayling Winter Sports at the Annual Miss Grayling Pageant Extravaganza.

The event formally kicks off the exciting calendar of events planned for this year's 56th Winter Carnival, Michigan's Granddaddy of them all.

Pageant officials Norma Naour and Joanne Shively say doors will open at 7 o'clock with the program getting underway at 7:30 p.m.

Ten contestants are competing for the Miss Grayling Winter Sports crown, a coveted title which carries with it a \$500 scholarship and the right to reign as Grayling's representative around the state for the next year.

First Savings & Loan, Grayling State Bank and Northern National

Bank have all combined to donate the scholarship for this year's Miss Grayling. The Booster Club will present a \$125 scholarship to the 1st runner-up with the American Business Woman's Association donating a \$75 scholarship to the contestant claiming 2nd runner-up. All

## Archery Club Family Nights

The Grayling Archery Club, located behind Fred Bear Museum at Hanson Hills, is holding family night on Saturdays, from 7 to 10 p.m. The cost for an evening of archery is for a Family of up to four-\$5.00; single adult-\$2; single child age 14 to 18-\$1.50 and from 14 to 8-\$1.00.

Qualified instructors are available at no extra charge and archery equipment is also available.

They will be having Family Nights on Saturdays until the 28th of February.

will be presented at the Kickoff Dinner at Auman's House of Catering February 12th.

Wayne Hindmarsh is back again as Master of Ceremonies and will launch the program with introduction of the lovely candidates and judging panel.

Musical entertainment will punctuate the evening's program which features talent review, swimsuit review and a routine entitled 'We are Family.' Personality interviews will be held Saturday afternoon at Chief Shoppenagon Hotel, Pageant Headquarters, who have provided hospitality rooms for the judging panel.

Toni Trudgeon, 1980 Miss Grayling Winter Sports, will crown her successor and offer a review of her reign as Winter Sports Queen during the past year.

The girls have been busy the past two weeks preparing for Saturday's gala, with dance rehearsals, poise and posture classes, talent preparation and See Grayling on Page 10

## To Attend Washington Workshop

Government Instructor Howard Lehti is shown chatting with Sue Diedrich (center) and Paula Dosch, GHS seniors scheduled to attend a week-long Washington Workshop in the nation's capitol, where they hope to learn "first-hand" what government activities are all about.

Lehti said admission to the

seminar, scheduled from March 22 to 29th, is based on a student possessing a credible academic standing, an interest in national issues and American government, and high standards of personal quality and integrity. The applicant must have the endorsement of a teacher or counselor signifying the student's genuine interest in

learning and serious desire to participate in the unique educational format of the Congressional Seminar.

While good grades are always helpful to a student in gaining maximum value from seminar attendance, Lehti said, the Washington Workshops seek to encourage a cross-section of See Workshop on Page 10

## Bits O'Talk

by Fay Boyce

The John Sojka's were hosts to a small group of friends, relatives and co-workers at a Saturday evening buffet at their AuSable River home. The occasion was in celebration of John's 60th birthday. Their daughter, Tanya, was home from MSU for the weekend.

The prayer line is going extremely well, according to Mrs. Rettenmaier; prayer has been helping so many in need. When the need has been met, they would appreciate a phone call to let them know.

Mr. and Mrs. Bill Kinkert had as weekend guests on January 18th, her cousins Mr. and Mrs. Arthur Mings of Grand Ledge. Mrs. Mings came to help celebrate the birthday of her aunt, Mrs. George Schable, who resides with the Kinkerts.

The Grayling Sportsman's Club sunflower seeds are now available at C.F. Fick and Sons. Millie Crosby has returned home from Fairgrove, Michigan. She had been staying with her family there, recuperating from hip surgery.

positions. The resin plant was to have employed 30, more during certain annual periods.

Crawford County and the rest of northern Michigan tourism will reap some benefits from increased travel costs, Verway suggested in his analysis. The report concludes that rapidly rising air travel costs and escalating gasoline prices are factors which make northern Michigan more attractive from a tourism point of view.

Other items of interest in Verway's report:

- Michigan lost more than 140,000 nonfarm wage and salary jobs between October 1979 and October 1980, a decline of almost four percent.

- More than half the 63 labor markets in Michigan are expected to experience a decline in employment in 1981, including nearby Montmorency County, still reeling from the shock of the Essex Wire Co. closing.

- Among the dozen areas most heavily affected by this year's economic slump, ten are located in the northern lower peninsula.

## Job Gain

(Continued From Page 1)

- The rate of unemployment in Michigan is expected to climb over 14 percent in February, and end the year above 10 percent.

Current economic conditions in Crawford County may cause area residents to be unwilling to share in Verway's optimistic forecast for 1981.

According to the Crawford County Job Service office, the unemployment rate in Crawford County rose to 19 percent in November, the most recent figure available.

The civilian labor force in the county is pegged at 3550 persons, 2875 of whom now hold jobs. That leaves 675 residents jobless, reports Job Service Manager Jim Karpicke, who said the unemployment rate dropped to 10.9 percent in August, lowest for the year.

The latest published unemployment rate figure for Michigan is 12.5 percent, highest in the nation.

Karpicke said typical of the frustration on the part of local job seekers was evidenced in November when Harris-Crestline announced the opening of its new operation here in Grayling. Karpicke said shortly after the newspaper report, over 350 applicants flooded the job service office when it reported M.E.S.C. would handle the application procedures for the company.

## Guitar Class In Full Swing

Robert Sienkiewicz, middle school vocal music director is pleased to announce the full implementation of a guitar class in the Grayling Middle School. This is the only class of this nature in the entire northern Michigan area. After being proposed, an enthusiastic response came from students and parents alike.

The class meets five days a week for one class period and is fully accredited within the school curriculum. Students will be learning how to read written music and be able to play accompaniments to many songs. A guitar ensemble will also be formed which will add a new dimension to the choral concert this spring and in the future semesters.

Students need not own their own guitars, as arrangements have been made with Marshall Music Inc. for the rental of guitars. Rental costs may be applied toward the purchase of a guitar if a student wishes to buy one after the first three months of rental.

Plans are underway to expand the program into the high school. This will enable a student to continue guitar class from the 7th grade to 12th grade. Mr. Sienkiewicz hopes to see many more students entering the program.

## Charlevoix Here Friday

# Vikings Thump Gaylord, 77-53; Lose at Reed City

by Joe Schrader

The Vikings made an unsuccessful trip into the lair of the defending Class C State Champion Reed City Coyotes Saturday, losing 77-53, but not before asserting "sole possession" of second place in the Huron Shores Conference with a convincing win Friday at Gaylord.

The Vikings trounced the Blue Devils, 77-53 to make it a clean sweep over their neighbors to the north this season. That, coupled with Boyne City loss at Petoskey Friday, shoved Grayling, now 8-2, into second place alone behind league-leading Petoskey, sporting an 8-1 mark.

The JV squad also split during the week, winning at

Gaylord, 55-48 before dropping a 63-43 decision to Reed City Saturday. Coach Tom Mills' junior squad is now 7 wins against 6 defeats.

Coach Butch Hayes said a big fourth quarter did the trick at Gaylord. "Our big last quarter and good offensive games from Roach, Hale and Fagan were the key factors," he said, "we also shot well in Gaylord at the free throw line, hitting 83% for the game and 100% the second half."

Grayling took a 14-7 first period margin and padded it to 32-21 at the halfway mark.

But the pesky Blue Devils stayed with Grayling the third quarter, narrowing the gap to ten, 50-40, going into the final eight minutes.

That's when the Vikes started to steamroll, outscoring Gaylord, 27-13 down the stretch to win by a big, 24 point final margin.

Bill Roach, averaging almost 17 points a game in conference play, led Grayling with 20 points. Scott Hale and Tracy Fagan both hit for 14. Junttila, Batway and Trenary all had eight apiece, Jamey Radebaugh added four and Ted Methner, three.

Although the Vikes had visions of sugar plums when they traveled to Reed City Saturday, the strain of playing the night before surfaced the second half when the Coyotes outmuscled Grayling under the boards.

"They beat us underneath," said Coach Hayes, "we played poor defensively in the second half." But the coach had praise for Scott Hale and Brad Trenary, whose efforts the first quarter gave the Vikes an early, 8 point advantage.

Grayling jumped to a 22-14 first quarter lead behind hot-hitting Brad Ternary, who tallied 10 points in the period. But the Vikes saw the lead fade away the second period when they mustered only seven points while the Coyotes hit for 18. Reed City held a narrow, 30-29 margin midway in the contest.

The lead changed hands until late in the 3rd stanza when Frederick hit for Reed City to push the Coyotes ahead, 47-45. Brad Trenary hit seconds later to tie the score and that's when Reed City took charge.

The Coyotes outdistanced Grayling 24-16 the final eight minutes to wrap up the win, with Brower, Holmquist and Frederick muscling in for easy baskets underneath.

With Batway and Junttila benched by fouls, Reed City stretched its lead to 12 points

before a Roach basket at the buzzer trimmed the final margin to ten.

Brad Trenary hit for 22 to pace the Vikes, Roach added 19. Other Vikes scoring were Hale with nine, Fagan 7, Junttila 6 and Batway 2.

Reed City had four in double figures with Brower tossing in 23. Frederick, Holmquist and Kingles all had 16 for the Coyotes.

Grayling will play host to the Charlevoix Red Raiders (4-5) Friday night at the Middle School. JV action will get underway at 6:30 p.m.

**TAGGING THE VIKES:** Grayling hit on 29 of 72 field goal tries for 40% against Gaylord and tossed in 19 of 23 free throw tries for 83%. Methner and Fagan were perfect from the line and Roach hit on six of seven attempts.

The Vikes hit for a better percentage at the line against Reed City, 50%, hitting 30 of 60 attempts. But they were only five for eleven at the free throw line for 45%.

In JV action, Monty D'Amour and Wayne Ross both hit for 14 points apiece to pace the squad past Gaylord. Ryan Morford hit double figures in the win with ten. D'Amour tossed in 14 against Reed City, Paul Hamlin hit for seven and Ross and Morford tossed in six apiece.

## FRIDAY'S SCOREBOARD

Grayling 77	Gaylord 53
Petoskey 54	Boyne City 52
St. Ignace 75	Rogers City 45
Cheboygan 80	Charlevoix 58

## From Our Corner ...

Are you a history buff?...about Michigan history that is...if so, we have just the magazine for you, called appropriately Michigan History...

We received a copy in the mail from the State Michigan History Division pointing out a story about Sylvester W. Higgins, a Michigan surveyor back in the early 1800's, and of whom Higgins Lake was named for...his associate at the time was Douglas Houghton whose life was cut short by his tragic drowning in Lake Superior in 1845. Houghton Lake was named after him...

The article on Higgins is most interesting and all the other stories take you back into time in which it is hard to perceive how these people traveled about the infant country of the United States...the magazine is well worth subscribing to if you like history, it's chuck full of interesting reading...but then we have always been a history buff...

Michigan History has entered its fourth year in all new format. Besides articles on historic preservation, popular history, archaeology and other historical features, each issue highlights one of the state's 83 counties, provides a "history happenings" section and reviews books about Michigan history.

During the past year Michigan History has featured articles on life on Mackinac Island after the American Revolution, Detroit's transformation from a commercial to an industrial city, a Grand Rapids senator who single-handedly investigated the tragedy of the Titanic and underwater archaeology near Munising and Alpena.

One of the newest aspects of Michigan History emphasizes historic preservation. Articles accent a growing public interest and awareness of preservation and are accompanied by attractive full-color photos. Special issues have included the Livingston County Courthouse and Marshall, "Michigan's Preservation Showcase."

The January/February 1981 issue includes the 1981 Michigan History calendar, and articles on Michigan surveyor Sylvester W. Higgins; Homer's True Grist Dinner Theatre; Fannie Richard's role in the integration of Detroit's public schools; the educational philosophies of the University of Michigan's first two presidents; and, the state's little-known salt industry. Other features include, the "83" Column on Chippewa County and the Museum Page highlighting the Grand Rapids Public Museum.

Michigan History is not yet available at newstands, except in the Ann Arbor and Lansing area, but should be in local libraries. Yearly subscriptions are available for \$7.95 by writing to Michigan History, Box 30029, Lansing, Michigan, 48909.

Michigan History subscription envelopes are available at local Department of State offices, and accompany all driver license and some vehicle registration applications. Back issues are available for \$2.00 each.

There is a big decision for the residents of Frederic Township coming up on Monday, February 9th...that will be if you want fire protection and ambulance service for your township...during the presidential election this proposal was turned down for some reason...possibly because it was not explained right on the ballot...this is not a proposal to raise your taxes...it is only a renewal of what you have now...we can not comprehend anyone voting against a proposal to offer this fire protection and ambulance service, it is for the good of all living in Frederic Township and Maple Forest Township as well...we urge you to support these vital services that are offered to you living in the township...

We understand that John Failing has been having some sleepless nights since he became a grandfather for the first time...cheer up John things could be worse...like twins maybe...

An idle thought...with all the fanfare (and we think it is due) that the hostages have been getting since their release, one has to wonder how the hundreds of military men who were held Prisoners of War for 3 to 4 years during World II, and those held captive in Korea and Viet Nam conflicts must feel...we are certain they didn't get the recognition they certainly deserved...just a thought...

We attended the Booster Club Swiss Steak dinner Saturday night at Auman's and for a change we didn't eat too much or have too many orange pops...we deserve a medal...with that we'll close the corner for this week...to all our readers, have a nice weekend...

It's your return that counts!

Support March of Dimes

Birth defects are forever...unless you help.

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO.

### 23 Years Ago

February 6, 1958

Dr. and Mrs. Arnold Rotermund and children Kim and Kristine spent a few days last week at their Lake Margrethe home.

Mr. and Mrs. Larry McNamara were in Bay City recently to visit relatives.

Mr. and Mrs. Harry Hoel and Mr. and Mrs. Ernest Turner spent Sunday in Saginaw.

Mrs. Don Legg was pleasantly surprised Sunday when her parents-in-law, Mr. and Mrs. Louis Legg of Roscommon, arrived with a birthday cake and ice cream to celebrate her birthday a day early. Mrs. Lloyd Berry was invited to attend the party also.

Mr. and Mrs. Derek McEvers of Detroit arrived last Thursday to spend the weekend visiting their parents, Mr. and Mrs. A.J. Sorenson and Mr. and Mrs. Harry McEvers.

Mr. and Mrs. Kenneth Newberry and children spent Saturday in Cheboygan visiting relatives.

John Miller was in Prudenville on business last week. He was accompanied by his brother, Robert Miller of Roscommon.

Mr. and Mrs. Vern Hartman left for Grand Rapids and Chicago for a few days to attend the Hobby Show in Chicago.

This week end marks the 33rd Annual Grayling Winter Sports Carnival. And with good winter sports weather, it is expected to be the biggest and best ever.

Caroline Moyer of Lovells, was crowned as Miss Lovells Winter Playland last Sunday afternoon by Eric Post, president of the Crawford County Chamber of Commerce and general chairman of the Grayling Winter Sports Carnival.

Mr. and Mrs. Raymond Elsey and family of Detroit arrived last Wednesday to visit her parents, Mr. and Mrs. Don Wood, over the weekend, returning Monday.

Mrs. William Heric entertained with a dinner party in celebration of her husband's birthday Saturday, January 25th, followed by an evening of cards. Mr. and Mrs. William Christenson were the guests.

Mr. and Mrs. John Bates of Detroit were callers at the Robert Bovee home Saturday evening a week ago. Mr. Bates is personnel director of Wayne U.

Mr. and Mrs. William Christenson were in Traverse City Tuesday of last week on business. The following day the Christensons, Mrs. Frank Serven and Miss Dena Bovee were in Gaylord.

Miss Harris Florida School for Girls at Palm City held its first open house on a recent Sunday. More than 300 people visited the new school, among them Mr. and Mrs. Thomas Stancil, whose daughter Anne Marie is a pupil.

Gary Worden, Bob LaMotte, Jr., Tom Peterson and Richard Sajdak returned early Saturday morning from their trip into Mexico. They were in Monterey, Mex., for about a week, taking in a bull fight and all the tours.

### 46 Years Ago

February 7, 1935

Peggy Louise is the name of the little daughter born to Mr. and Mrs. Frank Schmidt last Friday.

John Brady and daughter Ann spent last Sunday visiting the Bernard Brennan family in East Jordan.

Mrs. Norval Stephan entertained about twenty ladies and gentlemen at her home (Edgewater) on the AuSable Saturday night, in honor of Mr. Stephan's

birthday.

Mr. and Mrs. Harry Souders are happy over the arrival of a daughter, Shirlee Diane, born at Mercy Hospital Monday morning.

Two years ago, when Boyne City lost to Grayling for their only defeat of the season's play, the boys took an oath that they were never going to lose another game on the local floor.

Tuesday night they made good on that oath for this year by grabbing a 21 to 19 decision in a ball game which hung in the balance during flurries of shots that might have very easily seen Grayling win the decision. It was high entertainment at least. In the preliminary Frederic High captured a baseball-scored game, 8 to 4.

Grayling High School's crippled band of basket tossers continued to toss in more than the opposition as they subdued St. Mary's of Gaylord on the Parochial's floor last Friday night. The score stood 25 to 18 at the end and Grayling led all the way.

### 69 Years Ago

February 8, 1912

Ed Sorenson of Michelson was in Grayling last Monday and Tuesday.

The building that is being erected for Lietz Bros., for their tailor shop is nearing completion and they expect to be settled there and ready for business before March 1st.

The T.E. Douglas Co.'s rebuilt shingle mill at Lovells commenced operations Monday of this week. The people of this little village are feeling pretty happy over the event.

Earl Woodburn and Harry Connine are home from the U. of M., for a short vacation.

Eddie King, a lad fifteen years old, was on his way home from school last Tuesday and got into a wrestling match with one of his school mates and fell, fracturing one of his legs. He is now at Mercy Hospital and getting along comfortably.

Mr. Jacob S. Collins and Miss Adess Maralla Goudrow were united in marriage last week Tuesday. Mr. Collins is employed in the Scott Loader barber shop and Mrs. Collins is the daughter of Mr. and Mrs. J.O. Goudrow of this city.

We were all sorely provoked because the old bear saw his shadow February 2nd as we have already had a long winter.

S.B. Wakeley was lucky to catch a fine red fox.

**"Fire insurance is fine. But who pays your salaries and other expenses while your store's being fixed?"**

"We'll not only fix the store, but with an Auto-Owners Business Interruption policy, we'll even pay your salaries, interest and other continuing expenses while you're in repair."

"Why, we'll even provide your normal profit while your place is out of commission."

"Drop in and see us for any kind of protection with Auto-Owners. You'll be happy with what we can save you in worry and in money."

**Auto-Owners Insurance**  
is for business owners, too.

## The Bible Speaks

From Calvary Baptist Church

### The Key To

#### America's Great Past

America has been under attack from the philosophical evils of the eighteenth-century Enlightenment. Under secular Humanism man has attempted to dethrone God and turn self into God. We trace his efforts in atheism, rationalism, Illuminism, socialism, Communism, evolution, Freudianism, behaviorism and existentialism. Those who walk the path of secular Humanism continue to go down and down to more degeneration, immorality and self-destruction.

Under the banner of religious freedom, Atheists have forced the removal of Bible reading and prayer from our public school. This became the birth of secular Humanism as a national religion. This national religion demanded the end of all Christian freedom of worship except in isolated locations and following specific guidelines.

The key to America's great past is her strong faith in God. America has been a Christian nation in years past. Attorney John Whitehead gives the following evidence to support this belief: "In 1892 the United States Supreme Court made an exhaustive study of the supposed connection between Christianity and the government of the United States. After reviewing hundreds of volumes of historical documents, the Court asserted, 'These references...add a volume of unofficial declarations to the mass of organic utterances that this is a religious people...a Christian nation.' Likewise, in 1931 Supreme Court Justice George Sutherland reviewed the 1892 decision in reference to another case and reiterated that Americans are a 'Christian people.' And in 1952 Justice William O. Douglas affirmed that 'we are a religious people and our institutions presuppose a Supreme Being.'"

Secular Humanism represents less than 10% of our people in America, yet they dominate public education, government bureaucracy, liberal religions, Communist front organizations and most mass news media in America. These people ridicule the Puritan work ethic, free enterprise, private ownership of land and capitalism. They ridicule all the Bible principles which made of land and capitalism. They ridicule all the Bible principles which made America great.

Dr. Horace Mann in 1850 sold America the idea that secular education would solve the problems of crime and poverty in 100 years. You be the judge if public secular education has ended crime and poverty since 1950? You be the judge if sex education has lowered the incidence of teen-age pregnancy and V.D.? You be the judge if "Values Education" or "Values Clarification" now being pushed in public schools across America will improve the values of the next generation? One of the textbooks, "Values Education: A Handbook of Practical Strategies for Teachers and Students," the teacher is given 79 different ways to help the student discard the values he learned at home, church, etc., if he would like to adopt the new values of Secular Humanism. Horner Duncan rightly titled his book: "Secular Humanism, the Most Dangerous Religion in America." (adv.)

Pastor Barnett

### Ice Show at Glacier Arena

Twin Bay Figure Skating Club of Traverse City will present Ice Show 81, at the Glacier Arena, 1600 Barlow, on Saturday, February 14, 8:00 p.m. and Sunday, February 15, 3:00 p.m. Tickets are \$3.00 for adults and \$1.50 for children 16 and under and are available at the door.

This is a full scale ice show with over 100 skaters participating and the only skating presentation in the upper lower peninsula. You will see everything from skeletons to clowns to Miss Piggy in an enjoyable presentation lasting two hours. It is the fifth Ice Show the club has produced and the 1981 production is written and directed by Mary Haverty, the new club professional from Detroit, with help from professionals Sheryl Voelker and Denyse Everett.

## ATTENTION

## Mr. Dave Borgeson, DNR

After reading your statement, "That you came within a 'Hairs Breath' of recommending against any no-kill fishing, because of Trout Unlimited's insistence on using the South Branch AuSable", I cannot understand why you then decided to pacify T.U. by agreeing to catch and release on the Pigeon River.

It is my personal feeling that the T.U. will continue to exert itself for the no-kill on the South Branch, until they at least obtain a no-kill on the Mason Stretch.

Isn't it time that the DNR stood pat on what they believe is right or wrong, rather than give in to private pressure groups?

After 30 years of enjoying the fishing on the South Branch, I will gladly except the decisions of the DNR, rather than the opinions of private groups who would like everything just to their way of thinking.

After all, Mr. Mason left his part of the South Branch for all Fly Fishermen to enjoy, without any reference to Catch and Release.

Thank you,  
 Carl J. Kellogg

Additional identical copies of a record ordered at the same time.....	\$3.00
Additional years searched over 3 years.....	\$3.00/year
Verification of facts.....	\$3.00
Delayed birth application.....	\$20.00
Correction or amendment of a vital record.....	\$20.00

Leo E. Lovely, County Clerk

AAA Features  
Holiday Inn

Grayling's Holiday Inn is featured as a "closeby getaway" in the February issue of Michigan Living/AAA Motor News.

There's no need to head south this winter, reports Michigan Living. "Many of Michigan's lodging facilities offer a wealth of indoor recreation fun for the restless."

Grayling's Holiday Inn is one of 10 in Michigan which has a Holiday Inn featuring an indoor pool, sauna, whirlpool, ping pong tables, a game arcade and other extras, according to the magazine.

As an added benefit, many hostels offer reduced rates during the winter months.

Michigan Living is mailed monthly to the more than 800,000 homes of Michigan AAA members.

## Vet's Note

The Marine Corps League will have its Field Service Officer Robert R. Boyle, at the Courthouse in Grayling, on February 11 & 25, 1981, from 9:00 a.m. to 3:00 p.m.

He will assist veterans, widows of deceased veterans, and their dependents in filing claims with the Veterans Administration, Detroit, Michigan.

## Editor's Mailbox

Dear Mr. Madsen,

The following is a "Letter to the Editor"—This is an attempt to comment on Pastor Barnett's column "The Bible Speaks", dated January 29, 1981.

Dear Pastor Barnett, My dictionary defines patriotism as "devotion to ones country". Isn't it great to be an American. I believe these United States comprise the greatest nation on earth, and I thank God that I am a citizen, but this doesn't give me the right, especially since I am a Christian, to feel hate or bitterness toward the people of other nations. We're all where we are, by the grace of God.

The Bible I have tells me to "Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you: That ye may be the children of your Father which is in heaven: for he maketh his sun to rise on the evil and on the good, and sendeth rain on the just and on the unjust..." (Matt. 5:44, 45.) And again in Matthew, Chapter 5, verses 38 and 39—"Ye have heard that it hath been said, an eye for an eye, and a tooth for a tooth: But I say unto you, That ye resist not evil: but whosoever shall smite thee on the right cheek, turn to him the other also."

Jesus Christ completely fulfilled the Old law—Christians are not to remain under its bondage.

Demand respect? How can followers of the Lord expound such an idea when the Savior of mankind suffered all manner of humiliations and pain and "opened not his mouth", except to ask His Father to forgive his tormentors?

The treatment our people received at the hands of the Iranians was indeed terrible. It is shocking to see how unloving people really are, without God. I'm sure God isn't pleased, but neither is He pleased with talk of hate and bitterness and retaliation. That isn't the answer to such things—Jesus Christ is, and Love is. God loves you, Pastor Barnett; maybe you could let a little of that love spill over and offer up a prayer for the souls of the Iranians.

Isn't that what Jesus asked us to do?

Lovingly,  
Joanne Macfarlane

**STUDY ABOUT MICHIGAN**—Mr. Hatfield's fourth grade class has been studying all about Michigan. We have been studying about what kind of Indians were here in Michigan. We've studied about what the state bird is. It is the robin. The state flower is the apple blossom. The state fish is trout. The state stone is petoskey. The state's nickname is Water Wonderland because of all the lakes and rivers. We have made booklets about Michigan. We also saw a movie on how they built the Mackinac Bridge. We've studied about how people got jobs in Michigan. It's nice to know about your state. Do you? Pictured is Heidi Stephenson and Lee Johnson, fourth graders, studying a map of Michigan. Written by Linette Whitcher.

## Grayling Elementary School News

Mrs. Yost's and Miss Loft's first grades are doing a play called "The Three Billy Goats Gruff." The kids that are doing the play are Angie Thompson, Jordan Stancil and Billy Ellingboe. They got the play from level five's reading book. The play will be put on in a couple of weeks at the Grayling Elementary School. They will show the play to other first grade classes. They have been making their own equipment by coloring their things that they need for the play. They also have been drawing and painting for the play too. Written by Kelly Springer and Heather Watts in an interview with Jordan Stancil and Billy Ellingboe.

The following are written by 5th graders on the Hostages and Inauguration Day.

I think President Reagan will be a good president for before the president's inauguration he went around asking people what changes should be done to the government. In his speech he said he would make the government smaller so there is not a lot of confusion. But the first thing he said he would do is tackle inflation or at least that is what it says in our Newsweek magazine. And then he will make our armed forces stronger to get more respect from other countries, and more attention, and to protect the United States. He also said he would raise the salary in the armed forces so more people will join them. by John Schilbe.

The hostages were captured and held prisoner for 444 days in Iran. It must have been a horrible experience for them. But finally they're coming home. January 20th they were freed. It was a special day because Ronald Reagan was inaugurated. Jimmy Carter went to meet them in Germany and Sunday the 25th they came

to America and are staying at West Point. While they stay at West Point, they are going to have a reunion for the hostages and their families. This about the hostages has been a real mess and I'm glad they're coming home because now we don't have to worry about them over in Iran.

The hostages' stay in Iran was a horrible one some of them say. But some don't think it was so bad after all. But they're all glad to be out of the Iran embassy. Everyone wanted the hostages to be free so they put yellow ribbons and flags all over. I hope the hostages have a nice welcome to America because they deserve it a lot and I hope that they are all well and doing very good. The hostages have suffered a lot and we all welcome them back to our country and that they will be happy again. By Jenny Money

On the fourth of November 1979, U.S. persons were taken hostage. The reason is because of the Iranians wanting the Shah to return the wealth that he brought over to America, because they said that he stole it from them. So when they took hostages, the Iranians showed their hatred toward the U.S. for taking in the Shah by burning an American flag and by carrying their garbage in a flag. Because of that the hostages were taken.

Some tied yellow ribbons around trees, a symbol that they wanted them back. But after an unsuccessful attempt to rescue the hostages, which killed nine Americans, we finally got them back, all fifty-two of them, on January 20, the same as the inauguration of President Reagan. By Matt Klempp.

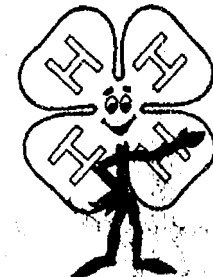

On January 20, Ronald Reagan became our 40th president of the United States. President Reagan swore on the Bible and said what he will do for our country. I'm very happy that President Reagan finally became our president. I think that yesterday was the happiest day of President Reagan's life. I watched him on TV and sometimes I would think that he was crying because he became our president. I was happy for him. And I think Jimmy Carter was happy for him too. But he looked sad at times. I think he kind of felt bad that he did not become our president for the second time. But at least he got to be our president once. Now that we have a new president I hope that things will get better like prices will go down and hopefully everything will change. By Laura Pomeroy.

Realtors Hear  
Gaylord Story

The Water Wonderland Board of Realtors held its January meeting at the Sugar Bowl Restaurant in Gaylord.

Nancy Morgridge, Manager of the Gaylord/Osego County Chamber of Commerce, was guest speaker and presented a program showing the Gaylord story with its metamorphosis from a dying town into the Alpine Village. The program sparked much interest, especially from non Gaylord residents and was in keeping with the emphasis that all Realtors and Realtor Associates place on community pride and their concern for making America better.

Realtor Associate, Larry Scanlon received his G.R.I. designation. Special designations are earned through the Michigan Association of Realtors after obtaining advanced education and experience. There are presently fifteen local board members holding designations.

Chris  
Clover's  
Corner

COOPERATIVE  
EXTENSION  
SERVICE

"Cooperative Extension Service programs are open to all without regard to race, color, national origin or sex."

by Sue Louchart

Hi! I'm Chris Clover here with news from the Crawford County 4-H Clubs.

The Kitchen Magicians were cooking up some good smelling and tasting Apple Crisp this week. Sounds like a good place to go on Wednesdays to get a bite to eat. Had better not count on it I guess from what I heard they eat all that they cook. Oh, well! It's still a good sign since they will eat their own cooking. Nice going 4-Hers!

Also congratulations to Karen Louchart for selling the most pens. She received a set of measuring spoons and measuring cups as a prize. Now she can't make mistakes measuring recipes. Nice going, Karen!

A big welcome to 4-H is due for the new members of the Leader Dogs for the Blind Club. Steve Brieffield has joined with a chocolate lab called Brandy and Jeff Cowie's new golden retriever's name is Rosco. The puppies are being housebroken and taught to come when called. The boys are learning to hold their puppies correctly.

Several of the clubs are going to be doing windows for the Winter Sports Carnival. All the area youth groups have been asked to help decorate the windows downtown and out at Han-

son Hills. Good luck kids!

There are two horse clubs in the county for those interested in help with their horses. The handicappers have a special horseback riding program which is ran in the summer. Since 1975, the Horseback Riding for Handicappers program has involved 2,500 handicappers and 3,700 volunteers in 29 Michigan counties. Much more than a pony ride, this program teaches the youngsters the skills of horsemanship. Participants have experienced great psychological boosts and have improved physically. Responses to a recent program evaluation proved the effort a tremendous success. The students improved their posture levels by 97%. The parents noted a 97% improvement in self-respect. All of the volunteers involved in the program would recommend involvement to others. Several of our local 4-Hers and handicappers have been involved in the local Horseback Riding Program for the Handicapped.

If anyone would like to join one or more of the many clubs or start a new club just call the 4-H office at 348-5123 and let Ann or Lori know. Look for me next week with more news about the clubs and what's new in 4-H. See you!

## Special Election

Notice is hereby given, that a Special Election will be held in Frederic Township, County of Crawford, State of Michigan on Monday, February 9, 1981.

At the place in each of the several Wards or Precincts of said Frederic Township as indicated below, viz:

Purpose:

## PROPOSITION

## FREDERIC TOWNSHIP PROPOSITION

Shall the total tax rate limitation of the total amount of taxes which may be assessed against all property in Frederic Township, County of Crawford, Michigan, for all purposes, except taxes levied for the payment of principal and interest on obligations incurred prior to December 8, 1932 be increased, as provided by Section 6, Article IX of the state constitution of 1963, by two (2) mills (\$2.00 per thousand dollars of State equalized evaluation) for a period of four (4) years from 1981 through 1984 both inclusive on all taxable property in said Township for the purpose of providing funds for the housing, maintenance, purchase of equipment and operation of the Frederic Township Fire Department?

Notice Relative to Opening and Closing of the Polls, Election Law, Act 116, P.A. 1954.

Section 720. On the day of any election the polls shall be opened at 7 o'clock in the forenoon, and shall be continuously open until 8 o'clock in the afternoon and no longer. Every qualified elector present and in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

The Polls for the said Election will be open from 7 o'clock A.M., and remain open until 8 o'clock P.M., of the same Election day.

Mildred Harmer, Clerk

## Requiem for The Almanack

RICHARD MILLIMAN

After 12 years or so of weekly existence, the pages of this particular Almanack will be closing after this column for an indefinite time.

Your Obedient Servant (as they used to say in the Victorian world of letters) has decided to take a breather from weekly column-writing. I don't know exactly when I'll start again.

The Almanack first appeared on a regular weekly basis back in 1968 or 1969 (the historical roots aren't important, even to me), when I first got into the ownership and day-to-day operation of weekly newspapers.

It first appeared regularly in The Livingston County Press and The Grand Ledge Independent about that time.

Earlier my column had appeared intermittently in other newspapers with which I had been associated, such as The Mt. Pleasant Daily Times-News and Alma Record, when I was employed by another newspaper company; and in such weeklies as The Crawford County Avalanche, Osceola County Herald, Lake City Waterfront and Clare Sentinel, when I held an ownership interest there.

Since its regular emergence in Howell and Grand Ledge, The Almanack has not missed a week of publication, as far as my memory serves. That is, it didn't miss until a month or so ago, when winter vacation schedules and holidays and the priorities of new ownership placed The Almanack on a sometimes-skip basis.

As we close the cover on The Almanack for now, the column appears more or less regularly in The Grand Ledge Independent, Charlotte Republican-Tribune, Livingston County Press (all of which have passed to new ownership recently), Crawford County Avalanche, Clare Sentinel and Lake City Waterfront.

Over the years, it had appeared more-or-less regularly, at one time or another, in the Farmers' Advance, Milford Times, Clinton County News, Waverly This Week, Dowagiac Daily News, and, once in a while, The Sturgis Journal.

One of my biggest problems has been to retain the proper spelling of Almanack from the fast blue pencils of anxious editors, who wanted to drop the final "k". I prefer the original Ben Franklin spelling; that's where the title came from, of course—Poor Richard's Almanack.

For the historians in the crowd, I point out the column has never been a paid entry in any of these newspapers; The Almanack has never earned its

author a penny.

Why write the column then? From time to time, I felt I had something to say. A regular weekly column has been an outlet for me personally, as any column is for any author, no matter how various writers may protest differently.

The Almanack also has provided a spot of commentary in the smaller, home-town newspaper, where such commentary is not always easy to come by, either from availability or from a cost standpoint.

And, hopefully, the subjects have been pertinent...at least, I tried to make them pertinent. I have dwelt heavily upon Michigan government (where I have been involved, off and on, close or far, for many years), politics (which has been either an occupation or an avocation for me at different times), and, of course, our society, our country and our world, which are common to all of us.

The Almanack has steered clear of reports on my children, or my pets, or my favorite hangouts, or my personal activities, or other personal trivia; leave such things to Erma Bombeck, Jim Fitzgerald, and others who do a much better job than I ever could.

Why halt the Almanack now? Certainly there is enough to write about, with a new administration in Washington, difficulties in Lansing, upcoming elections, and the recurring foibles of an ever fascinating society. And I still feel I have things to say from time to time.

The problem is in the writer, not the subjects. Since I sold my weekly newspapers several months ago, I am no longer in the day-to-day operations of newspapers. My routine has changed. So have some of my perspectives, for right now, at least.

Now seems like a good time to stop and take a look at things for a while. That's what I plan to do.

The Almanack may be offered from time to time, and it may reappear one of these days on a regular basis. But for now, the routine will be changed. No more weekly columns from this source for a while.

Early readers of The Almanack will recall that I used to refer to my vast audience—my wife, an anxious mother-in-law, and an ambitious copy boy.

Well, my mother-in-law died a few years ago, and, since I sold the newspapers, I'm not sure the ambitious copy boy is still with me.

As for my wife, I can tell her what's on my mind more directly.

Can't I, honey?

Mr. and Mrs. Wasyl Buduwowich, of Grayling, proudly announce the wedding of their daughter, Beth, to Captain John R. Sudduth III, son of Mr. and Mrs. John Robert Sudduth of Roanoke, Alabama. The wedding took place at Way Farer's Chapel in Rancho Palos Verdes, California. Her aunt and uncle Steve Bodor escorted the bride to the altar. Lt. Tom Newall, the District Recruiting Commander attended the wedding and reception. Cpt. Sudduth, Air Defense Artillery officer, is the Army area commander for San Bernardino Recruiting. Beth is a Captain in the Army Nurse Corps. She is the nurse counselor for nurse recruiting in Southern California, Arizona and Southern Nevada. The couple will reside in Anaheim, California before reassignment to Germany.

The brides parents were unable to attend their daughter's wedding.

### Pearce-Suffield Named Hannah Lay Maitre'D

ACME, MI—The Appointment of Terence "Mr. Terry" A. Pearce-Suffield as Maitre'D of the Hannah Lay Room at the Grand Traverse Hilton has been announced by Joseph L. Neppo, Food and Beverage Manager.

Pearce-Suffield brings to the Hannah Lay a tradition of excellence—the result of 33 years in virtually every phase of the food service industry from commis de brasseur on up. He has held his trade in England, France, Italy, Denmark and the United States.

Born in India, the son of a British Army "regular", Pearce-Suffield grew up in East Africa, Burma, India and England. He developed a keen love of "service", even as a youth, as his father's bat-boy (valet).

Most recently the Maitre'D at the Hidden Valley Osego Ski Club (five years), he has been a captain in Miami, a Maitre'D at the Rank Organization Penine International Hotel in Derby, a wine butler at London's The Dorchester, an assistant Maitre'D at Ye Ole Bell at Barnby Moor in Nottinghamshire.

Pearce-Suffield has a daughter and two grandchildren in England. He makes his home on the Manistee River near Grayling.

### District Court

The following appeared before Judge Francis L. Walsh in 83rd District Court during the past two weeks:

Salvatore Zerilli, 22, St. Clair Shores, was found guilty in a court trial on a charge of use of artificial light while hunting deer. He was fined \$158 fines and costs.

Joseph John Ventimiglia, 48, Warren, was found guilty in a court trial on a charge of use of artificial light while hunting deer. He was fined \$158 fines and costs.

Anthony Samuel Vafiadis, 40, Jackson, pled nolo contendere to a charge of DWIL (first offense). He was fined \$305 or 30 days in jail and his license was suspended for 90 days except for driving to, from and during his course of employment.

Richard Festus, Detroit, was fined \$205 for attempting, resisting and opposing an officer.

Joseph Dudzic, 30, Detroit, pled guilty to making a false police report and was fined \$155 or 14 days in jail.

Glen Leslie Perry, 27, Detroit, was fined \$155 or 14 days in jail for making a false police report.

David James Pettibone, 30, Grayling, pled nolo contendere to a charge of false pretenses under \$100. He was placed on probation for six months and ordered to make \$90 restitution.

Harold Duane Helsel, 21, Grayling, pled nolo contendere on a charge of driving while his license was suspended. He was sentenced to three days in jail and ordered to pay a \$85 fine or 10 additional days in jail.

A charge of felonious assault against James Richard Felver, 39, Grayling was dismissed on motion of the Prosecutor's Office at the request of the complainant.

If you own a small business, you know what a big headache insurance can be. With different policies to keep track of, you may be paying for coverage you don't even need. But we've simplified business insurance for you with BOP...for BusinessOwners Protection. It's a great, new policy from Citizens that wraps up all your insurance needs in one nice neat package. Citizens has even taken the "legalese" out of BOP and put clear, understandable English in its place. So you can make sense out of what you read. BOP. One policy. Simple language. A lot of coverage. Insurance that really gets down to business. See if your business qualifies.

Editor's Quote Book

So live — decently, fearlessly joyously — and don't forget that in the long run it is not the years in your life but the life in your years that counts!

Adlai E. Stevenson

156 May Lose Public Service Jobs Because of Federal Funding Cuts

As many as 156 persons could lose their public service jobs within 2 weeks as a result of a \$670,000 cut in Federal Funding.

Kurt Ries, Director of Northeast Michigan Manpower Con-

sortium made the announce-

ment Monday. He said the cut was made under two titles of CETA, Title VI and Title II-D.

The cut will affect workers in County Court Houses, Libraries, Schools, NEMROC, YAAC, Sheriff Departments, Townships, Council on Aging, County Parks, MESC and County Airports.

As many as 24 may lose their jobs in Crawford County.

Ries commented on the additional responsibility of paying unemployment benefits to the participants from CETA funds could have an even greater impact on the program.

He also pointed out unemployment in the eight county area served by Northeast Michigan Manpower Consortium is already at 20.8 percent and now more people will be added to welfare and other assistance programs in the area.

Lovells News

by Ruth Caid  
To late for last week Eddie Harwood & Steve Granda of Midland enjoyed a couple days of Bluegill fishing. Mr. and Mrs. Mac Fordyce of Mt. Clemens visited her sister & husband, Mr. and Mrs. Abbott Walker.

Mr. and Mrs. Leonard Nusbaum hosted the card party Saturday evening, prizes were won by Virginia Parker, Arlene Little, Ethel Morris, Marvin Wikoff, Jack Kearney & Bill Koernke. Mr. and Mrs. Andy Parker will have the party next week.

Mrs. Vicki Davio returned home after visiting relatives in Detroit.

Current news

Miss Jeannal Baughn flew to Florida to visit her fiancé, Paul Silvernail, who was hospitalized following an automobile accident.

Mr. and Mrs. Eddie Harwood & daughter Erin, spent the weekend with his mother Margie Harwood.

Mr. and Mrs. Andy Parker hosted the card party Saturday evening, prizes were won by Maxine DeBoer, Alice Campau, Ethel Morris, Tom Morris, John Campau & Gale DeBoer. Mr. and Mrs. J.Q. Nichols will host the party this week.

The Cheerful Givers Club will meet at the home of Ruth Caid on Thursday at 7:30. Please bring old nylons & scissors. Mr. and Mrs. E.J. Coulter were called to Lapeer due to the illness of his mother.

Lois Cheyne visited relatives in Grand Rapids the past week. Mr. and Mrs. Marvin Wycoff spent a week visiting relatives in the Upper.

Obituaries

Services Held For Walter Loper, 76

Walter Loper, 76, former resident and dear husband of Betsy Wicker Loper, died Friday, January 23, 1981 in Muskegon. Funeral services were held Tuesday, January 27, 1981.

Five Story Cactus

The giant desert cactus saguaro may grow as tall as a five-story building and live 200 years. It is home for such animals as the pack rat, which is protected from snakes and other enemies by the cactus spines.

Lisa Marie Carlson, daughter of Mrs. Barbara Carlson and the late Bruce Carlson is engaged to Brian Ray Obrecht, the son of Mr. and Mrs. Ray Obrecht of Bloomfield Hills.

Miss Carlson is a graduate of Walled Lake Western High School and the University of Michigan. She is presently pursuing a Masters degree in Athletic Training from the University of Michigan.

Mr. Obrecht is a graduate of Brother Rice High School and the University of Michigan. He is an Industrial Engineer and is also pursuing a Masters degree at the University of Michigan.

An August 15, 1981 wedding is planned at West Bloomfield United Methodist Church.

## Frederic Community Library

The following begins another long list of new books the library has added to its shelves for your reading pleasure.

We will begin with fiction: "Lost Love, Last Love", by Rosemary Rogers, "Cinnamon Gardens", by Jeanette Rebut, "The Kings Brate", by Constance Gluyas, "Daughter of Fortune", by Dawn Lindsay, "The Plantation", by George McNeill, "Her Shining Sponder", by Valerie Sherwood, "Cana and Wine", by Frances Casey Kerns, "The Errand", by Frances Casey Kerns, "Shopie's Choice", by William Styron, "Dove's Bold Journey", by Patricia Matthews, "The Ewings of Dallas", by Burt Hirschfeld, "Haunting Me", by Paula Allardice.

For all you lovers of mystery we have the following: "Till Death Us Do Part", by Vincent Bugliosi, "A Kiss Before Dying", by Ira Leven, "The Hearse", by Henry Clement, "Watch The Wall My Darling", by Jane Aiken Hodge.

We have several new westerns also including Zane Grey's novel of five stories, they are as follows: "Riders of the Purple Sage", "To The Last Man", "The Thundering Herd", "The Hash Knife Outfit", and "West of the Pecos", "The Bells of San Felipe", and by Max Brand, "Sweeney's Honor", by Brian Garfield, "Comanche Vegeance", by Richard Jessup, "The Doomsday Trail", by Ray Hogan, "The Six-Gun Kid", by William MacLeod Raine, "Broken Valley", by Thomas Thompson, "Blood Feud", by Giles A. Lutz, "Gunsmoke Graze", by Peter Dawson, "Quiet Town", by J.T. Edson, and "Fort Hogan", by Frank

Bonham.

This is a list of our non-fiction books that are new: "U-Boat Killer", by Donald MacIntyre, "War as I Knew It", by General George S. Patton, Jr. Do you have a toaster oven and wondering what to fix in it? Well, we have a new book to help you, "Creative Toaster Oven Cooking", by Weatherly Books. If you enjoy skiing we have a new book in by John Samuel called "The Love of Skiing", we have a new book on "420 Ways To Clean Everything", it has everything from stop shoes from creaking to sealing an envelope so it can't be steamed open, we have a new book on "How To Build a \$9,000 House", and "How To Build a Log Cabin", these books are by William Cruz, and Conrad Meinecke, respectively, and last we have "Joy of Christmas", this is a collection of Christmas poems.

We have one new science fiction book by J. Countryman, "Atlantis and The Seven Stars".

The following are for all our younger readers: "The Tale of Peter Rabbit", "The Tale of Benjamin Bunny", "The Tale of Two Bad Mice", "The Tale of Squirrel Nutkin", by Beatrix Potter, "A Mother Goose Treasury", by Kate Greenway, "Adventures of Raggedy Ann", by Randolph Caldecott, "The Queen of Hearts", by Randolph Caldecott, and by Steven Caldwell we have "Star Quest", "Aliens in Space", "Settlers in Space".

If anyone would be interested in making a donation to the library building fund, you can come in and talk to me about it Monday-Friday from 9-5 p.m. Don't forget your Glen's Market Grocery tapes, we do appreciate them.

Ruth Barber,  
Librarian

TODAY'S ANSWER

This past week shirts for the band came in. They are of a baseball design with gold sleeves and white body. The band members' names are on it, including Mr. Harris' name.

Each year students receive band letters at the end of their sophomore year. These letters can be put on coats or sweaters for people to see. Awards that are achieved in band are often represented by pins which go on the letter. We are now in the process of ordering those letters. We feel that a band letter shows your determination and dedication to the band.

A company that operates downstate has agreed to take pictures for the band. They will give us a free composite of our band to be displayed in the band room. Also, they will take individual pictures of each member and with these we can get copies for a good price to give to any friends or relatives. We hope to make this a tradition

## Thank-You Girl Scout Leaders!

If you are a Girl Scout leader you are one of the "special people" in Crawford County. I know, because I work with nine of the nicest women you could find anywhere. They and their assistants are working very hard with the girls in our community to continue to make Girl Scouting fun and educational.

Each of these leaders are special in her own way. She has her own talents and skills. I have never worked with a group that is so willing to share ideas and work together so well as these G.S. leaders.

I really appreciate each of the leaders for the support they have shown toward Girl Scouting, to each other, and to me. As your new S.U.D. you have already made my job easy, just by being the kind of leaders you are. Let's continue to work together in 1981 and make Girl Scouting fun and important for all the girls in Crawford County.

Donna Carmean

Atolls

Nearly all the Pacific Islands are volcanic in origin. Many have eroded to sea level becoming coral-encrusted atolls.

with the band so that each year we can look back and see who participated in making music for our school.

Each year, Solo & Ensemble and Festival is held for the bands of many high schools. This year we have students participating in Solo & Ensemble and our entire band will go to the Festival. We are currently working on music for this competition. Solo & Ensemble will be held on February 7th and Festival will be held on February 28th. Each year, both of these events are very exciting and give students a chance to prove their ability to play. In a future article we will bring you the results of both events.

## Think of it as a savings account with scenery.

There are all kinds of checks, you know.

Plain checks. Fancy checks. Beige checks. Blue checks. Even checks with palm trees and other pretty pictures.

Now, we love palm trees. But in these inflationary times, we think the prettiest pictures around are portraits. Of guys like George and Abe and good old Andy Jackson.

That's the reason for our new Gaylord "Swiss NOW" Account, the checking account that pays you for putting your money in it.

A "Swiss NOW" will work for you like a checking account and earn interest like a savings account. It's all very simple. Our accounts specialists will be glad to explain more when you visit them at any of our five banking offices.

It makes more than a little sense to go to the people with the most practice. Us. We're A Full Service Bank, the home of modern checking, and we've got it down to a science. Isn't that beautiful?

Look for this symbol.  
We've got the answers.

## Workshop

(Continued From Page 1)

students to enroll, providing there is a genuine interest in the seminar's content.

The one-week program, to be attended by 120 students from around the nation, offers a personal view of the dynamics of the U.S. Congress and federal government. There will be daily discussions with senators, congressmen, ambassadors and white house aides.

The seminar features a flexible schedule for free time for special appointments, personal meetings, touring and shopping.

Paula and Sue will stay at Maryknoll College in Arlington, Va., with campus facilities for swimming and other recreational activities provided. (Joe Schrader photo)

a splash party filling up the period.

The ten contestants include: **BARBARA GOLNICK**, 17, who plans to attend college to pursue a career in marketing. Her hobbies include writing poems/stories and horseback riding. Barb enjoys basketball, volleyball and skiing.

**PATTY HILL**, 17, planning to attend Central Michigan to major in education. Patty enjoys skiing and biking and lists ceramics, reading, and working on the high school yearbook as hobbies.

**CONNIE KEENE**, 17, a Frederic resident who enjoys ice skating and swimming. Ballet, horseback riding and music are her hobbies and she plans to attend North Central Community College after graduation.

**LINDA LEGG**, 17, who list theatre, drawing, chorus and working on the high school yearbook as her hobbies. She plays volleyball, skis, swims and plans a short period of travel after high school before enrolling in college.

**KATHLEEN MEAD**, 17, who plans to attend Olivet College in August to study zoology and english. Volleyball and baseball are her sports activities and her hobbies include swimming, skiing, horseback riding and animals.

## Grayling

(Continued From Page 1)

**HOLLY NUNN**, 17, who will go on to Grand Valley State College and then Wartburg after high school to become a foreign language interpreter. An avid sportsperson, she lists piano, skiing, sports activities and reading as her hobbies.

**ANGELA PERNA**, 17, who will go on to college after some traveling to study marketing. Track and cheerleading are her sports activities and skiing, horseback riding and motorcycles are her hobbies.

**BRIDGET VANLUCHENE**, 17, enjoys sporting activities like gymnastics and cheerleading. Dancing, rollerskating and gymnastics are her hobbies.

**KELLY VANNUCK**, 17, will study to be a registered nurse at Northwestern Michigan College after high school. Sewing, macrame and dancing are her hobbies and she enjoys roller-skating, cross country skiing and camping.

**SHAWNA WATTERS**, 17, plans to attend Michigan Tech to pursue a civil engineering career. She calls herself a spectator sportsperson and enjoys music (band), reading and outdoor activities.

All ten are Grayling High School seniors. Norma Naour is Executive Director & Producer for this year's pageant production and Joanne Shively is Assistant Director.

Tickets are priced at \$3 for Saturday's event and are available at Chief Shoppenagon Hotel, Cornell Real Estate & Insurance or from Tim Sloan at the high school.

Pageant officials recommend advance ticket purchases although tickets will also be available at the door.

## Middle School Basketball

On January 19th the 7th grade basketball teams won a pair of games from Kalkaska. After dropping behind 8-0, the "B" squad went on to post a 32-15 victory. Kevin Hudson led Grayling with 10 points followed by Claude Halstead and Mike Hanger with 6.

Out scoring Kalkaska in every quarter the "A" squad won their third game of the season 24-11. Leading the scoring for Grayling was Barry Methner with 8 points and Jeff Fessenden with 6 points.

The eighth grade teams won a pair of games at Kalkaska. The "B" team won 34-21. Guard Rod Patterson scored 8 points. Coming off the bench, left handed forward Stacey Kent also connected with eight. Forward Alan Weiss continued his fine play by hitting for 6 points. Captain and center, Derek Bancroft scored 5 points and collected 6 rebounds.

The "A" team defeated Kalkaska by a 53-31 score. Guard Jon Nicholas again led his team with 16 points. Many of his points this season have been due to ball handling penetration. Center Barsie Cross shot for 12 points and grabbed the same amount of rebounds. Captain and forward Gregg Burns collected 10 rebounds along with left forward Mick Lovely's 8. Scott Collen came off the bench to put in 6 points and snag 8 rebounds. Nearly every "A" team player scored or rebounded. They collectively rebounded 62 times.

## Flu Viruses

Flu viruses weren't discovered until the 1930's. Antibiotics, effective against bacteria, cannot stop the viruses that cause flu. Instead, vaccines are needed. Viruses modify their chemical makeup, though, requiring new and different vaccines periodically.

## Education

(Continued From Page 1)

The Committee in evaluating this bus garage question felt that the current garage being 2 and one half miles from the school bus parking area was neither convenient nor practical.

The Committee thus recommended that a new bus garage be built near the area of the current bus parking area. (Near the Grayling High School.)

The final question of this committee dealt with the current school administration building on Michigan Avenue. This building was purchased in 1972 for \$30,000 on a 7% land contract which will be paid off in 1987. The Committee sought answers to the following questions:

1. Is the current office space enough or too small? All available work space including the basement. That basement does have steep stairs connecting it to ground floor.

2. What amount of square footage is required? Estimates are that 4,000 sq. ft. would be adequate to handle current and anticipated demand.

3. What would be costs for the new building? If a new administration building was constructed to a new middle school or the high school, it would have to meet existing state school codes. If built in a residential area, construction cost would be approximately \$40 per sq. ft.

4. What are current heat, light and insurance costs of the current administration office? Heat \$1443, lights \$1236, Insurance \$165 (July 79 through June 80).

The Committee in its discussions felt that the current administration offices were the only marketable property the school owned. The Committee also felt that its location in the city preferable over locations at the high school because of the nature of the business conducted by the Administration Office and the amount of cash handled by the Office.

The Committee then reviewed possible alternatives and focused on the current bus garage which is 2900 sq. ft. While time did not allow a more detailed investigation of the bus garage in terms of cost effectiveness, the committee made the following recommendation: That following demolition of the current middle school and construction of the bus garage, that the current administration building be sold. The monies from that sale be applied to help defray remodeling cost incurred by the conversion of the bus garage into office area.

## Grayling Middle School News

February 2, 1981

### CONGRATULATIONS

To all middle school students that made the "Honor Roll" for the second marking period. Nice job.

### PRICE INCREASES

As of Monday, February 2, 1981, lunchroom prices have increased as follows: Weekly lunch ticket; \$3.25, daily 70 cents, breakfast 45 cents. Reduced lunch and breakfast prices will increase to 20 cents each, per day.

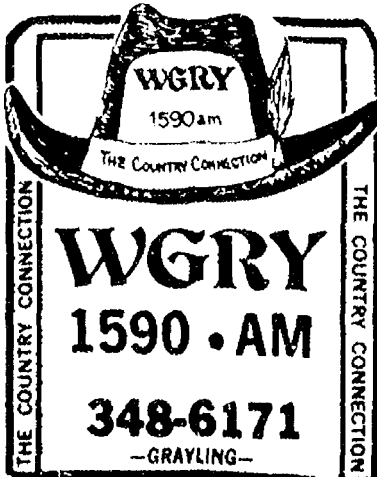

### VALENTINE DANCE

The class of 1985 will be sponsoring a "Valentine Dance" on Thursday, February 12, 1981 from 3:30 p.m.-5:30 p.m. here at the middle school gymnasium. Mrs. McDaniel and Mr. Austin, class sponsors, would like to invite all parents to attend that would care to. Chaperones will be needed, if you would like to assist, please contact a member of the 8th grade or call the middle school at 348-7641, ext. 48.

### BASKETBALL TOUR

The week of February 16-19, 1981 has been set aside for the Grayling Middle School Boys Invitational Tournament with Houghton Lake, Harrison, West Branch Surline and Grayling. Game time will be 6:30 p.m. each evening. More information to follow.

**CONGRATULATIONS**  
Congratulations to the 7th grade boys on their win last Thursday night in the inner middle school competition. Everyone played a nice game.

This location of school offices on the middle school site might help to lessen possible vandalism at the remaining middle school gymnasium. (The resource group available to the building committee was going to inspect the current bus garage to evaluate its structural integrity.)

The Committee also recommended the demolition of the current middle school after a new one is constructed.

Prior to that demolition, area citizens be allowed to purchase materials and equipment from that structure which the school board felt could not be used.

It also recommended that remaining vacant land including that area where the middle school stands, be used for parking, recreation areas (tennis courts), or whatever other uses the school board chooses.

## BIDS WANTED

County of Crawford, Grayling McNamara Airport, is now accepting sealed bids on a 1969 Ford Fuel Truck, 1500.0 Gal. capacity.

The Truck can be seen at Grayling McNamara Airport on Tuesday, Feb. 10, 1981.

Deadline for bids is Wednesday, Feb. 11, 1981.

The County of Crawford reserves the right to reject any and all bids.

Send bids to: Grayling McNamara Airport  
P.O. Box 121  
Grayling, Michigan 49738

## Vote Yes

The following proposal will appear on the ballot in special election on Feb. 9, 1981. We feel many voters in the last November election thought this was an increase from the millage they had been paying. It is to continue the funding for Fire Protection and Ambulance Service as in the past.

### PROPOSITION

#### FREDERIC TOWNSHIP PROPOSITION

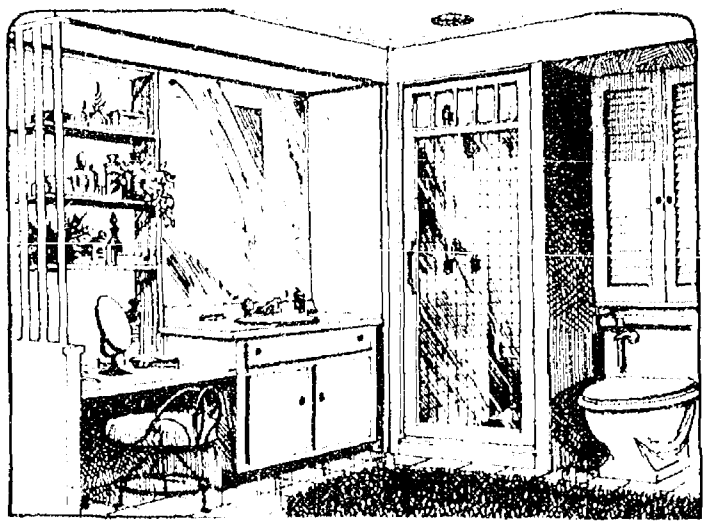

Shall the total tax rate limitation of the total amount of taxes which may be assessed against all property in Frederic Township, County of Crawford, Michigan, for all purposes, except taxes levied for the payment of principal and interest on obligations incurred prior to December 8, 1932 be increased, as provided by Section 6, Article IX of the state constitution of 1963, by two (2) mills (\$2.00 per thousand dollars of State equalized evaluation) for a period of four (4) years from 1981 through 1984 both inclusive on all taxable property in said Township for the purpose of providing funds for the housing, maintenance, purchase of equipment and operation of the Frederic Township Fire Department?

If possible, try to attend informal Town Meeting, on February 4th and meet some of the Fire and Ambulance personnel. If you have any questions, we will be glad to answer them at that time.

## City Council Proceedings

Regular meeting of the City Council held January 26, 1981. The meeting was called to order by Mayor Thompson at 7:30 p.m. Members Present: Failing, Thompson, Gohnick, Latuszek. Members Absent: Sabin.

Also in attendance: Jerry W. Morford, City Manager; Allen V. Schreiner, City Treasurer; Don Geiss, Allan Livrance, Lori Priestap, A.D. Sorenson, P.W. Stephan.

Motion by Gohnick, supported by Failing that the minutes of the meeting of January 12, 1981 be approved as presented. Ayes: 4, Nays: 0, Absent: 1, motion carried.

There were no citizens who wished to speak. Communications were received and noted. From P.W. Stephan re: Police Dept. Citation. Motion by Thompson, supported by Latuszek that Patrolman Brooks receive a formal citation for outstanding performance at the next regular meeting.

Ayes: 4, Nays: 0, Absent: 1, motion carried. From NEMEDA re: Publication of Quarterly report. From GRC re: Brochure.

From State of Michigan re: Extended Purchasing Bulletin. From MML re: Federal Revenue Sharing. From City Manager re: Zoning Ordinance and map. From Grayling Housing Comm. re: Minutes. Newspaper articles. Old Business.

The City Manager discussed with Council the 1981 street program. Some Community Development Block Grant funds will be available for street construction. Mr. Morford will present to Council a proposal as to which streets he will recommend for construction.

Discussion of quotes on a new D.P.W. truck. Quotes were received from three dealers.

1. Sykes Chevrolet, Houghton Lake \$14,665.00 plus 9,526.00  
2. Burnside GMC, Houghton Lake 14,188.00 plus 9,526.00  
3. Moorehead Ford, Gaylord 15,690.00 plus 9,526.00

All trucks quoted met specifications with the G.M.C. exceeding the specs regarding front springs. The City Manager recommended acceptance of the quote from Burnside G.M.C. of Houghton Lake.

Motion by Gohnick, supported by Failing that the City Manager be authorized to purchase the truck from Burnside G.M.C. with the Hyde Equipment Co. box and blade for \$25,714.00. Ayes: 4, Nays: 0, Absent: 1, motion carried.

Mr. Morford also reported that the pick-up truck ordered thru Scheer Motors has been received and will be delivered January 27, 1981.

Discussion of the annual report for 1979-80 took place. The City Manager indicated that he has received a quote on the cost of \$403.00 for 3500 copies with additional copies at \$30.00 per 1000. Mayor Thompson recommended that the report be published, council concurred with his recommendation.

Mr. Morford detailed the status of the land trade/purchase with the DNR. The state has located the property which they want and the matter should be completed within 60 days.

Progress of the County Transportation Authority was reported by the City Manager. He has received a draft of a proposed agreement which runs to about 30 pages and needs to be examined in detail. When the three governmental units have concluded their examination he will report back to Council.

A report on the status of the Sewer Lift Station repairs was given by Mr. Morford. The consulting engineer has solicited quotes from contractors who do this type of work. He intends to continue negotiations and will report to Council at a later date. Council authorized the City Manager to order the necessary parts and to complete negotiations with the contractor as soon as possible.

New Business—None. Reports of Councilmen.

Mr. Thompson presented a request from NEMCOG for permission to apply for a Federal Grant to study housing in the 8 county NEMCOG area.

Motion by Thompson, supported by Gohnick that the City of Grayling acknowledges the importance of establishing a logical plan for the future location of private and public facilities in order to provide a decent living environment for our existing and future population. The City of Grayling therefore concurs with the objectives of the regional development strategy as set forth in NEMCOG's preapplication for a Farmer's Home Area Development Assistant Planning grant. The program outlined in this preapplication doesn't duplicate other current planning activities within the City of Grayling. Ayes: 4, Nays: 0, Absent: 1, motion carried.

Reports of City Manager. Notice of a hearing by Michigan Con Gas Co. regarding rate increases for main extensions and service lead installation.

Adjournment. Motion by Gohnick, supported by Failing that the meeting be adjourned. Ayes: 4, Nays: 0, Absent: 1, motion carried. The meeting was adjourned at 8:30 p.m.

Jerry W. Morford  
City Manager & Clerk

## Road Commission Minutes

January 16, 1981

A regular meeting of the Crawford County Road Commission was held in their office in Grayling, Chairman Cason presiding. Present were: Chairman Grover Cason and Commissioners Gloria Kraus and Norman F. Parker, Engineer-Manager John Keir and Secretary Lorna Bernard. Absent: None.

The minutes of the last regular meeting were read. Commissioner Parker made a motion to accept the minutes as read, seconded by Commissioner Kraus. All voted in favor, minutes approved.

Payroll Voucher Number 2 for \$25,076.16 was presented to the Board for approval. Commissioner Kraus made a motion to accept the voucher, seconded by Commissioner Parker. All voted in favor, voucher signed.

Notice of the 1981 County Road Association Highway Conference was presented to the Board. Secretary Bernard was instructed to make reservations for the Commissioners and Engineer-Manager Keir.

Engineer-Manager Keir reported that several complaints had been received about damaged mailboxes from snowplowing operations. The Policy regarding damaged mailboxes was reviewed and it was determined the present policy will remain in effect.

A discussion was held regarding the construction of Pere Cheney Road. The Board determined that in the best interest of the Road Commission, the grade and gravel work would be done by County Crews.

Further discussion was held regarding the Abandonment of Babbitt Road and North Redhead Lane. The Engineer-Manager was instructed to obtain further information regarding said roads before a decision is made by the Board.

Engineer-Manager Keir informed the Board that the signed copies of the Edgemarking Painting had been received by the State and their signatures affixed to the contract. He also informed the Board that the Martindale Brine Well Tank repairs have been made and that the well should be in full operation by Monday.

There being no further business, Commissioner Kraus made a motion to adjourn the meeting at noon and to convene the afternoon session with a re-organization of the Drain Commission, seconded by Commissioner Parker. All voted in favor, meeting adjourned.

Lorna Bernard, Secretary  
Grover Cason, Chairman

**"Thank You" Volunteers**

During the month of January and carrying through the first part of February, the Crawford AuSable Schools have been conducting a hearing screening involving selected grades. Shown here are hearing technician, Pat Berens, and volunteer Karen Willoughby with student, Mark Porter, who is being tested. Several volunteers from Grayling and Frederic have been involved in the screening. They do not do the actual testing, but they help by organizing the children and taking them to and from the testing. The testing is supervised by Jeanie Sloan, Crawford AuSable School Nurse.

A special "thank you" to all the volunteers who have helped with the testing: Dee Crull, Bev Ohsowski, Colleen Wyss, Tonnie Laundre, Karen Willoughby, Donna Carmean, Kathryn Timmins, Ann McMillan, Debra Lobsinger, Angie Hoover, Greta Moore and Lou Besonen.

For further information about the Volunteer Aide Program in the Crawford AuSable School district please call Cheryl LaDuke at 348-7641 ext. 52.

**Grayling High School****HONOR ROLL****1st SEMESTER**

**9th GRADE**

**Your Week Ahead Horoscope**

Forecast Period: 2/8 - 2/14/81

- ARIES**  
Mar. 21-Apr. 19  
You feel a need for privacy; to retreat from the mainstream and reflect on actions - past and future.
- TAURUS**  
Apr. 20-May 20  
Greater interest in understanding your fellow humans leads to involvement in group associations - perhaps a labor union.
- GEMINI**  
May 21-June 20  
Nothing ventured - nothing gained. Why not look to one in authority for a favor - like a substantial promotion.
- CANCER**  
June 21-July 22  
News from a distance puts you in touch with a person you were once very fond of. Pleasant memories.
- LEO**  
July 23-Aug. 22  
Communication with a person long gone from your life is a distinct possibility. It should bring back some good times.
- VIRGO**  
Aug. 23-Sept. 22  
The minute you open your mouth, it seems that everyone is ready to do battle. Be patient for a day or two.
- LIBRA**  
Sept. 23-Oct. 22  
Thoughts of a healthful diet program should be put in to practice. Keep the body in trim.
- SCORPIO**  
Oct. 23-Nov. 21  
Speculation would probably work out well but don't take the risk if you can't afford to lose.
- SAGITTARIUS**  
Nov. 22-Dec. 21  
Activities center around the home. You may feel the family income must be supplemented and it's up to you.
- CAPRICORN**  
Dec. 22-Jan. 19  
Intellectual pursuits step up communications. There is a market for your original ideas and novel presentation.
- AQUARIUS**  
Jan. 20-Feb. 18  
Financial affairs of others have a strong influence on your own dealings. Look for an increase in income.
- PISCES**  
Feb. 19-Mar. 20  
Your feelings can be too easily hurt. Don't get involved with quarrelsome friends or business associates.

## Dizzie Gillespie at Kirtland Feb. 13

Dizzie Gillespie, a headliner in Kirtland's Entertainment 80-81 concert series, will perform in the Kirtland Community College auditorium on Friday, February 13, 1981, at 8:00 p.m.

Gillespie is one of the great figures in American music. In the 40's, he was a leader in a controversial style of jazz then called "bebop", and later known as "modern jazz". Since then he has continued to mesmerize audiences with his trumpet, comedy and conga dru. Dozens of major musicians have been developed under his direction and many of Gillespie's compositions, such as "A Night in Tunisia", are considered standards by jazz musicians.

General admission tickets for Gillespie's concert are \$8.00 and \$5.00 for senior citizens and KCC students. Group rates are also available. Tickets may be purchased at Kirtland's library and bookstore, Roscommon Hardware and Gifts, Grayling Holiday Inn Sales Office, and at the door.

For further information, call 517-275-5121, ext. 248.

## Ice Sculptures

We've got the Snow!! All we need is You!!

Prizes will be awarded for the best sculptures. Come on businesses see what you can do to come up with a creative ice sculpture. Pictured trophies will be awarded for the best business sculpture.

Residents of Crawford: We want to see your ice sculptures. Prizes will be awarded: 1st \$75.00, 2nd \$50.00, 3rd \$25.00. They will be judged on creativity, originality.

Get the family together, you will probably be surprised at the talents you have, let alone sharing and doing something as a family that benefits everybody.

If you are going to have a sculpture, stop at Carol's Mobil and register or fill out this entry form and send to Carol's Mobil, Grayling.

Deadline for registering Feb. 6th, 1981. We will have maps drawn up so people can look at your beautiful works of art.

Grayling needs a good year but we need all of you to help. Our winter sports brings alot of people to our community and that helps our economy. But we have to do our part to get the people up here and provide them with a good time.
